Trouble Creating Your Account?

If you receive the below error message, please verify you are using your full name (not nicknames).

Did you receive a notice stating your email is already associated with an account? This is due to you having a Mypatientvisit account with another provider.

1. Try logging into mypatientvisit account with your email address and password you believe it may be.
    a. If that doesn't work, click the need help logging in button and enter your email address to receive a validation code so you can reset your password.
2. Once you have successfully logged into mypatientvisit, go to the upper right portion of the screen and choose the Account Profile circle
    a. Select Manage my Patients
    b. At the bottom of the page, choose Add a practice
    c. Enter the required information and click Add Practice

Forgot your Password?

If you forget your password, click Need Help Logging in. Use the MIDATLRET as the Practice ID.

If that does not work, please email marportal@midatlanticretina.com for assistance. Please be sure to include your Name and DOB.
